Applicants respectfully submit that the re-submitted "Amendments to the Specification" section places the Reply to Office Action filed February 2, 2005 in compliance with 37 C.F.R. 1.121. Accordingly, Applicants request reconsideration and reexamination of this application and timely allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
